## ADVANCED AESTHETICS TREATMENTS

In addition to our traditional facials, we offer the newest, science-based facial treatments. Experience the wisdom of green products that unite natural botanicals with effective high-tech ingredients, enhanced by state-of-the-art toning technology.

### PURE

Our luxe signature treatment uses green cosmeceuticals that combine unique botanical and cosmeceutical sophistication, making them both highly effective and safe even for sensitive skin. Your aesthetician will enhance your facial based on your specific needs. This is a comprehensive facial treatment: Your skin will benefit from cleansing, skin analysis, exfoliation, steam, extractions (as necessary), toning, a customized results-driven treatment best suited to your skin concerns, and protection.

## DETAIL

Specifically designed with a man's skin in mind, this luxurious facial uses unscented, green cosmeceuticals and focuses on all the specific concerns men have about their skin. This complete facial treatment includes cleansing, exfoliation, extractions (as necessary), relaxing facial massage, a customized treatment and nourishment for the skin. A real treat, whether it's your first facial or your hundredth.

## ULTIMATE MICRODERMABRASION

This crystal-free and non-invasive treatment improves cellular turnover, deeply detoxifies skin and allows skin cells to flourish – restoring a natural glow in minutes. A light lymphatic drainage massage and a hyaluronic acid mask replenish lost moisture. This highly effective, intensive treatment can be used on skin with congestion, acne, sensitivity, fine lines, post-inflammatory hyper-pigmentation and scar tissue. Skin is left more vibrant and youthful-looking.
