AN ADVENTURE FOR THE

CONNOISSEUR OF SHOPPING

The Grand Canal Shoppes is an exquisite shopping experience that stretches the entire quarter-mile length of the Grand Canal and features more than 80 internationally flavored boutiques aligned along cobblestone walkways and detailed palazzi.

The centerpiece of the experience is a re-creation of the historic Piazza San Marco, a bustling square of streetside vendors, outdoor cafes, and costumed Carnevale performers. Through the piazza and throughout the shops, serenading gondoliers guide guests down the canal, their operatic voices bringing the streetscapes to life.

Merchants of The Grand Canal Shoppes span a dazzling spectrum of shopping delights. From the familiar, like Kenneth Cole, Banana Republic, Burberry, and St. John Sport, to exotic rarities like Pal Zileri, Lior, and Gandini, you'll find the latest in high fashion. And in shops like Il Prato, and Ripa de Monti, you'll discover the work of Italian artisans upholding time-honored traditions in creating one-of-a-kind treasures in wood, metal, fabric, and Murano glass.

Couture, cuisine, and collectibles  
– you'll find it all at The Venetian.
