THE EXHIBITOR SUCCESS GUIDE

EFFECTIVE JANUARY 1 - DECEMBER 31, 2020
Dear Exhibitor,

On behalf of everyone at Sands® Expo, welcome, or welcome back!

Whether you’ve exhibited in the past or this is your first time here, our team looks forward to working with you.

The Exhibitor Success Guide outlines valuable information to help you understand our scope of work, facility regulations, available services, and unique offerings that can add a “special something” to your booth presentation. I invite you to take a look and consider how these services might enhance your existing program.

Should you have questions, require additional information, or would like assistance in determining which opportunities work best for your event, please feel free to contact our Exhibit & Business Service Center Representatives at 702.733.5070.

We look forward to partnering with you on your exciting event; together, we’ll make your experience a successful one.

Kirsten Dimond
Sands Expo Vice President and General Manager

EXHIBITOR CHECKLIST

Below is a general timeline that may help guide you toward a successful exhibitor experience. The contents listed are suggestions only, as needs vary for each exhibitor. Should you have questions, our Exhibit Service Representatives are happy to assist and may be reached at 702.733.5070.

8 Weeks Out:
[ ] Review The Exhibitor Success Guide to understand Facility rules and regulations.
[ ] Identify the services and related items needed for your booth (i.e., A/V, Booth Cleaning, Electrical, Floral, F&B, Internet/Telecom, Rigging/Lighting).
[ ] Note the deadline for receiving the advance order discount.

6 Weeks Out:
[ ] Visit www.sandsexpo.com/ordernow to set up an online account and order booth services. If you need assistance with placing your order, please contact the Exhibit & Business Service Center at 702.733.5070 or servicecenter@sandsexpo.com.

4 Weeks Out:
[ ] Note upcoming deadline for receiving the advance order discount.
[ ] If required, submit booth plans to the Clark County Fire Department (CCFD) for approval and review specific facility requirements beyond CCFD guidelines.
[ ] If interested in donating your booth structure and to confirm whether it can be donated versus disposed, please contact the Exhibit & Business Service Center at 702.733.5070.

3 Weeks Out:
[ ] Note the show site rate now applies and the advance order discount has expired.
[ ] If not already done, visit sandsexpo.com/ordernow to set up an online account and order booth services. If you need assistance with placing your order, please contact the Exhibit & Business Service Center at 702.733.5070 or servicecenter@sandsexpo.com.
[ ] Review previously placed order and update for any additional needs (i.e., F&B, booth cleaning, floral).

2 Weeks Out:
[ ] Finalize any outstanding details for your exhibit booth (i.e., final floor plans for Electrical, Internet/Telecom locations, Booth Cleaning, Floral).
[ ] F&B services are also available during move-in and move-out. Call 702.733.5676 for details.
[ ] Review The Exhibitor Success Guide to confirm adherence to Facility rules and regulations.
[ ] If interested in donating leftover booth inventory (i.e., samples, furniture, etc.), contact seccdonations@sandsexpo.com.

Move-in / Show Days:
[ ] Note the Exhibit & Business Service Center location (Sands Expo Level 1 Lobby) and phone number (702.733.5070) in case assistance with any technical, show cleaning, or business-support needs arise.
[ ] For last minute catering requests, please call 702.733.5676.

Move-Out:
[ ] If assistance with equipment removal, booth disposal, donations, or billing, please visit the Exhibit & Business Service Center or call 702.733.5070.

After the Show:
[ ] Within one week, please look for an email invitation inviting you to take a brief survey. This will help us learn more about your time with us, and we thank you in advance for your participation.
Advance Order Discounts
Orders placed no later than 21 calendar days before show opening day will receive a discounted rate (rigging services are excluded). For eligibility, full payment and completed CAD drawings must also be received by this deadline. Orders received after the cutoff date will be invoiced at the standard show-site rate.

Cancellation Policies
SES Productions:
For AV/Rigging/Lighting orders created through SES Production proposals:
- Cancellation must be received at least 30 days prior to the start of the event to avoid a cancellation fee, except out of pocket expenses incurred by SES Productions may be charged
- Cancellations received less than 30 days but greater than 72 hours prior to the start of the event will receive a 50% cancellation fee, plus any out of pocket expenses incurred by SES Productions
- Cancellations received less than 72 hours prior to the start of the event will not be refunded

For AV orders created through SandsExpo.com/OrderNow:
- Cancellations must be received at least 24 hours prior to first published move-in date to avoid a fee
- Cancellations received less than 24 hours prior to first published move-in date will receive a 50% cancellation fee
- Cancellations received after the first published move-in day will not be refunded

Food & Beverage:
- Cancellations must be received at least 21 business days prior to the show open date to avoid a fee
- Cancellations received less than 21 business days but greater than 10 business days prior to the show open date will result in a 50% cancellation fee
- Cancellations received less than 10 business days but greater than 3 business days prior to the show open date will result in a 75% cancellation fee
- Cancellations received less than 3 business days prior to the show open date will not be refunded

Electrical/Internet/Plumbing/Show Cleaning & Meeting Services/Telecom:
- Cancellations must be received at least 24 hours prior to first published move-in date to avoid a fee
- Cancellations received less than 24 hours prior to first published move-in date will receive a 50% cancellation fee
- Cancellations received after the first published move-in day will not be refunded

Disclaimers
Sands Expo and SES will not be held liable for any and all losses due to circumstances outside of their control, including but not limited to losses due to interruption of service from the main utility provider of the building. Wall, column, and permanent building utility outlets are not a part of booth space and are not to be used by exhibitors and/or their third parties.

Exhibit & Business Service Center
Located on Level 1 of Sands Expo, the Exhibit & Business Service Center is available for procuring on-site SES assistance as well as a range of business support services. To ensure availability for any need that arises, operating hours are tailored to move-in, show days, and move-out schedules.

Exhibit Booth & Bulk Trash Disposal
Container Service is required for the disposal of all bulk trash, which includes hanging banners, flooring, and booth remnants/contents. For any full or partial structures that remain at the close of show, the Exhibitor will be charged a fee of $985 per dumpster.

Exclusive & Non-exclusive Services
To help ensure your success, Sands Expo offers a variety of services. For details please contact the Exhibit & Business Service Center at 702.733.5070 or see page 12.
- Catering/Food & Beverage (Exclusive)
- Show Cleaning (Exclusive)
- Electrical (SES Exclusive)
- Internet/Telecommunications (SES Exclusive)
- Plumbing (SES Exclusive)
ONLINE ORDERING

Exclusive & Non-exclusive Services, cont.

- Rigging & Theatrical Lighting Labor/Truss & Motor Equipment Rental (SES Exclusive)
- Satellite Services (SES Exclusive)
- Audio/Visual Equipment Rental (SES Non-exclusive)
- Theatrical Lighting Equipment Rental (SES Non-exclusive)
- Floral

Floral & Horticulture

A full service floral department resides on property, offering everything from plant varieties to sustainable and traditional floral arrangements. Fresh, top-of-the-line plants and flowers are always used, and our expert team’s personal attention can create something special to make your exhibit booth stand out. Normal delivery times occur between 5:00 am and 2:00 pm, although special arrangements may be made due to the size of an order. For details visit shop.venetian.com.

Labor Rates

Details regarding labor rates for all services are available on page 34.

Online Ordering

Exhibit booth services and products are ordered online, where you’re able to see images of offerings, review order histories, and place repeat orders for subsequent events. The system also provides prompts if additional items are required, and recommends additional options such as porter service, floral, etc.

Remember to provide your requested labor/installation dates and service needs, as well as a floor plan identifying where each service is required. When placing orders for hanging applications, please include a digital CAD drawing.

Please also note, to accommodate computers, refrigerators, and appliances that will be operating in your booth throughout the show, 24-hour power is suggested.

To begin placing your order, please visit sandsexpo.com/ordernow.

Should you require assistance, please contact the Exhibit & Business Service Center at 702.733.5070 or servicecenter@sandsexpo.com.
Parking
Covered handicapped and overnight parking is available at The Venetian Resort, allowing access to the hotel, casino areas, and Sands Expo. Limited oversized vehicle parking is available on the first level of The Venetian parking garage, and may be accessed from either the Las Vegas Boulevard or Koval Lane entrances. Curbside loading and unloading is prohibited.

Motorized and Wheeled Transportation
Hoverboard and segway use by disabled guests is permitted within Sands Expo upon request, and under the following conditions:

1. It may not exceed the speed of walking pedestrians or pace of traffic.
2. It may not be operated in the casino or gaming areas/floor within The Venetian Resort.
3. It must yield to pedestrians.
4. It may not be operated while under the influence of alcohol/drugs or anything that would impair safe operation.
5. It may only have one (1) operator and no passengers.
6. It may not be operated on the escalators.
7. Due to safety issues with hoverboards, one of the following off-hour options must be in place:
   • In conjunction with the General Contractor, product must be packaged up after show hours and stored off-site by exhibitor
   • Fire watch personnel must remain in the booth during all after-show hours
   • Booth structure must be covered and have a sprinkler system

Hoverboards, segways and other wheeled transportation (i.e., rollerblades, bicycles, skateboards) not being used within ADA guidelines are strictly forbidden. If a motorized scooter or wheelchair is needed, an on-site vendor (located inside the Exhibit & Business Service Center) rents out a limited quantity. Please call 702.733.5070 for assistance.

ADA

Service Animals
The ADA defines a service animal as any guide dog, signal dog, or other animal individually trained to provide assistance to an individual with a disability. If they meet this definition, animals are considered service animals under the ADA, regardless of whether they have been licensed or certified by a state or local government.

For guidelines and details regarding the use of service animals on property, please see page 27.
Emergency Equipment
Sands Expo is equipped with a state-of-the-art Life Safety System.
• The facility is equipped with an alarm system and sprinkler system that activates by heat-sensitive devices and smoke detectors in the ventilation system.
• Fire extinguishers and other emergency equipment are strategically located in all areas of the building.
• The Venetian Resort Fire Command Center continually monitors all building emergency systems throughout the facility.

Emergency Staff
Our Security department is operational 24 hours a day and becomes the communications center and command post in the event of an emergency.
• The Catering & Conference Manager and SES/Event Manager are responsible for keeping show management and service contractors informed of decisions relating to emergency events in progress.
• Should the need arise, The Venetian Resort has an EMT team on duty 24 hours a day, seven days a week.
• Events with exhibit halls are required to contract EMT services for the program’s duration (including move-in and move-out). The provider must be licensed and registered in the State of Nevada and/or with the Southern Nevada Health District.

Fire Extinguishers/Fire Hose Cabinets
• Please remember all fire extinguishers and fire hose cabinets must be kept clear, accessible, and remain free of obstruction at all times.
• The fire hose cabinets, fire extinguishers, and permanent fixtures of the facility cannot be moved.

Emergency Announcement Protocol
1. In the event of an alarm activation, audible and visual alarms will activate. This is not a signal to evacuate the building.
2. An announcement will be made stating the nature of the alarm is being investigated.
3. Once the nature of the alarm is determined, further instructions will be communicated.
4. In the event the alarm poses no danger, an “all clear” will be announced.
5. Should evacuation be necessary, it will be communicated via the Life Safety System.

Lost & Found
During event days, please visit the security podium located on Level 1 at the entrance to Sands Expo. Following the close of an event, all items are delivered to the Lost & Found at The Venetian Resort. Please call 702.414.1000 and ask for Lost & Found assistance.

After leaving the property, please visit our Lost & Found website, or call 702.414.1000 and request Lost & Found assistance.

Security Contacts
The Venetian Resort and Sands Expo maintain 24-hour security over the interior/exterior of the facility, including all life safety and equipment systems.

NON-TECHNICAL SERVICES

Exhibit Booth Cleaning, Porter & Labor Services

Sands Expo is the exclusive provider of booth cleaning services, with a variety of offerings to keep your booth spotless throughout the show. Learn about available options at sandsexpo.com/ordernow.

• **VIP Service** - Includes everything in the Platinum Package, plus a periodic porter during move in (including two hours before show open) and porter service during all receptions.

• **Platinum Service** - A full service package with hand vacuum or damp/dust mop, nightly trash removal, porter service (countertop wipe down, bussing and trash removal), carpet sweeping during show hours, and minor spot cleaning/stain removal.

• **Porter Service** - Includes a wastebasket and trash removal throughout show hours, countertop wipe down, and carpet sweeping of any debris that accumulates in your booth.

• **Container Service - Booth/Crate/Flooring Disposal** - The fee associated with this service is based upon booth square footage.

Frequently Asked Questions

1. Can I have an Exhibitor Appointed Contractor (EAC) or Interior & Design (I&D) company vacuum or damp mop my booth? No, all booth cleaning services may only be performed by Sands Expo staff.

2. Will vacuuming or damp mop be included with my booth space? Vacuuming or damp mop is not included, but must be ordered at sandsexpo.com/ordernow.

3. Is daily trash removal during show hours provided? This service is only available with the VIP, Platinum, and Porter services.

4. Can I schedule my booth cleaning services anytime that is convenient for me? Yes, absolutely! We will have a team ready and at your booth per your requested appointment time.

5. Is booth disposal available? Yes. This service must be ordered and the fee associated based upon the booth's square footage. Please visit sandsexpo.com/ordernow for minimums and additional details.

All orders must be paid in advance. Please note no credits will be issued on services installed as ordered but not used. To avoid a 50% cancellation fee, the cancellation of equipment and/or services must be received at least 24 hours prior to the published first move-in date. Cancellations received after the first move-in day will not be refunded. For credit consideration, all service concerns must be made known to the Exhibit & Business Service Center during your event.
**NON-TECHNICAL SERVICES**

**Food & Beverage/Catering**

We understand how important your presence is on the show floor, and how valuable it is to remain fully engaged with attendees. Providing a unique F&B experience is an innovative touch to doing business on the show floor that may keep attendees with you for one more bite and a little more conversation. **Sands Expo is the exclusive provider of all food and beverage intended for consumption within Sands Expo and the Congress Center** (outside food is prohibited), and offers several food and beverage services tailored to exhibitor needs. To learn more please call 702.733.5366 or email catering@sandsexpo.com. To begin placing your online order, please visit sandsexpo.com/ordernow.

- **Exhibit Booth Catering Menu** - This menu features an incredible variety of delectable, flavorful offerings that are sure to delight. Vegetarian, organic, gluten-free, nut-free and other options are all available, and our chefs are happy to work closely with you to ensure your needs are met.
- **Banquet Menu** - Additional catering options are available for reception or meeting room functions.
- **Booth Traffic Builders** - Popular items such as gelato stations, full bars, kegs, fresh popcorn, and more are just some of the ways you can engage attendees while presenting your products and services.
- **In Booth Dining** - This is the perfect solution when you’re craving a bite to eat but can’t step away from the exhibit booth. Simply visit http://encoreintegrated.com/ses/ to choose from the daily offerings. Items include individual pre-made salads, sandwiches, hot entrees, snacks and hot and cold drinks. Once your order is processed, we’ll deliver your meal right to your booth.
- **Distribution of Samples** - Exhibitors may distribute samples of food and/or beverages only upon written authorization by Sands Expo. Please see the “forms” section of the Exhibit Booth Catering Menu for guidelines and restrictions.
- **Corkage** - Corkage is extended when approval has been given to bring in a non-alcoholic F&B product. This is generally offered only to manufacturers of the product, but contractual exceptions can be made. This is charged at 50% of the current retail price + current tax + current service charge on the retail price. For further details and exclusions and please contact catering@sandsexpo.com.
- **Water Coolers** - Exhibitors who have ordered water coolers will receive their units and bottled water the afternoon before show opening. Units will begin being picked up approximately 2 hours before the show closes. Exhibitors are responsible for any equipment that is damaged or not returned. Please note water cooler orders do not include electrical, which must be ordered separately.
Scope of Work

At Sands Expo and The Venetian Resort, some services are exclusively provided through our various SES departments. This exclusivity is necessary for safety concerns, consistency in standards, and efficiency. Set forth below is a description of those services to assist you in the planning of your event.

- The assembly, installation, operation and dismantling are exclusive and may only be performed by SES departments labor for the following:
  1. Anything attached to truss or building structure, i.e. lighting, cabling, audio equipment, video equipment, special effects gear, etc.
  2. All ground-supported truss, lighting and rigging systems. This includes attachment of all equipment, drapery, signs and banners connected to ground supported truss.
  3. All floor-supported items that project more than 16 feet from the floor.

- Truss and Motor: All truss and motors are to be provided by SES Productions. The client or their production company shall be responsible for all charges.

- Once delivered to the facility loading docks, the handling and moving of all materials included in the Scope of Work will be exclusive to SES.

- All lift equipment required to perform the Scope of Work must be operated and rented through SES.

- All work required in the catwalk structure is to be exclusively performed by SES labor. In addition, any equipment on or around the catwalk needs to be SES owned or inspected and approved.

- Installation of the following is exclusive to SES labor and services:
  1. Cords and cables under carpet and final connection from equipment, light fixtures, power tracks and all electrical items to outlet(s).
  2. Electrical signage that comes separate from the display.
  3. All antennas on or around the building, including set up and removal of interconnecting cables from outside to inside of the building and to exhibit booths.
  4. Portable generators, motor generators and converter transformers.
  5. Portable cabling from main switch to all panels and distribution.
  6. All fiber and communication cables, data and telephone cables; and audio/visual cables in catwalks and under carpet.
  7. Portable plumbing service (air, water and drains for all areas) whether in the exhibit area or not. Includes air compressors, various pumps and sub-pumps and hook-up of same.
  8. The use of individual air compressors or pumps is prohibited. However, if they are an integral part of the exhibit products, please contact SES in advance for approval.

The following Scope of Work guidelines apply specifically to Show Management:

- Specialized Production requirements can be accommodated within the SES required program; please contact the Event Services Manager for more details.

- Breakouts: An event is allowed one General Session that could be provided by another production company, excluding any policies within the SES Scope of Work. All other meetings will be considered breakouts and fall inside this exclusivity.

- Once a labor crew reaches 20+ workers, a scheduling administrator will be added.
SES Productions Audio Visual & Production Assistance

SES Productions is an on-site, full service production team that maintains the latest in tradeshow technology. No one knows our property better, and in addition to offering a range of creative services and production support, a variety of hardware is available for all of your production needs.

Whether planned in advance or requested upon arrival, SES Productions is here and looks forward to working with you. However, to ensure availability, you are encouraged to place orders as early as possible. On-site orders will be subject to additional equipment charges and will be filled based upon the order in which they are received.

To learn more about how we can assist, please contact us at 702.733.5655 or SESProductionsExpoSales@sandsexpo.com.

Frequently Asked Questions

1. Is there a minimum labor requirement? Yes - equipment rentals are subject to a minimum 2-hour labor charge which covers delivery, installation, reasonable technical assistance, dismantle, and pick up. More extensive setups, dedicated exhibit technicians, or any other form of A/V labor will be charged for actual hours worked. Please see page 34 for labor pricing and information.

2. Does my order include electrical service? No - electrical service is not included in equipment pricing and must be ordered separately.

3. Do I need to be present for equipment to be delivered? Yes - a representative must be in your booth or meeting room to sign for equipment delivery. Please note delivery and installation begins on the last day of load in, unless otherwise specified by the client. Sands Expo and SES are not responsible if equipment installation does not meet an exhibitor's timeline due to any unforeseen circumstances occurring at the show site.

4. What happens if I need to cancel all or part of my order? All orders must be paid in advance. Please note no credits will be issued on services installed as ordered but not used. To avoid a 50% cancellation fee, the cancellation of equipment and/or services must be received at least 24 hours prior to the published first move-in date. Cancellations received after the first move-in day will not be refunded. For credit consideration, all service concerns must be made known to the Exhibit & Business Service Center during your event.

5. Are there any guidelines regarding audio volume within my exhibit booth? Sands Expo retains the right to regulate the volume of any sound (music, voice, special or artificial effects) if it infringes upon others within the facility, is determined to be offensive, or otherwise violates the terms/rules/regulations or license agreement.

6. What should I know regarding the rental of satellite dishes? All locating of satellite dishes for outside access must be done by SES and Sands Expo personnel. If you plan on bringing your own satellite dish or up-link vehicles, please contact the Exhibit & Business Service center at 702.733.5070 or servicecenter@sandsexpo.com. We will advise you of the area where it may be located, and consideration will be given to the direction from which the signal is relayed.

7. What happens if my rental equipment is damaged or lost? Renters of SES Productions equipment assumes and bears the entire risk of equipment abuse; misuse; loss by fire, theft or misplacement; or any other cause of loss or damage that occurs while in the renter's possession. In the event of such an occurrence, the renter shall immediately pay Sands Expo, in cash, all rental fees due under the terms of the rental agreement, plus the value of the equipment rented (based on fair market value at the time of rental). All rental equipment shall be considered still rented, with rental fees accruing until such payment is made in full.
Imagine your booth as one among a sea of exhibitors, with thousands of attendees navigating through the aisles searching for your location. Integrating hanging signs and lighting high above your booth can be an invaluable part of your design, and might make the difference between whether a potential customer reaches you or ends up stopping somewhere else.

Please refer to the SES Scope of Work on page 12, and consult with an SES Productions representative about exclusive and non-exclusive production services.

Frequently Asked Questions

1. **How do I make sure my sign is installed in the proper location?** When placing an order, a CAD drawing and Service Location Plan must be provided. In addition, the exhibitor or representative must be present in the booth at the time of service delivery. Please also note SES Productions will not open any crates, cases or boxes that are not clearly marked “signage”.

2. **Since I need to be present, am I able to schedule this service for a particular time?** Exhibitors may select a will call window of time for service delivery, with a minimum installation charge of 2 hours per worker being applied. The option of scheduling a specific time is also available, for a minimum charge of 5 hours per worker.

3. **Are there any rules about what can and can’t be hung?** Please refer to all rules and regulations established by Show Management. These can typically be found in the Exhibitor Kit or by consulting a Show Management representative. Flown rigging in Hall G is not permitted. Rigging in any hall or ballroom may require the use of additional materials, to avoid overhead obstructions. Weight limitations are in effect in all areas, and may require additional stamped engineering documents for approval.

4. **What happens after my event?** SES labor will dismantle all items and equipment within the SES Scope of Work. The exhibitor’s materials will be disassembled and left in the booth with the exhibitor’s representative, so they may coordinate shipping.

5. **When does my booth need to be safety tied to the Facility?** Based upon SES review, any floor-supported object standing under 16’ that is deemed a hazard to public safety, and those standing over 16’ may have additional safety requirements. SES must provide all safety tie services and materials regardless of the object’s height.

All requests are subject to approval by Show Management and SES Productions, and may be limited/rejected in some areas due to weight restrictions, limited rigging points, or if construction/design is deemed to be unsafe. Flashing chaser lights are not permitted on hanging signs, and laser logos may not be projected outside of an exhibiting booth. For additional information please call 702.733.5655, email SESProductionsExpoSales@sandsexpo.com, or visit sandsexpo.com/ordernow.
Electrical

Electrical services are almost always needed within one’s exhibit booth. Whether it’s for booth lighting, A/V or computer equipment, or simply charging your mobile phone or tablet, this service should be ordered. The best place to begin is by making a list of all the items to which you’ll need to provide power. Please note that SES is the exclusive provider of all electrical services.

Frequently Asked Questions

1. Where does power come from? In Halls A, B, C, and D, power comes from overhead catwalks. In Hall G power comes from columns on the floor.

2. Where does power go in my booth space? For island booths, power is dropped into a single location. If more than one drop location is requested, additional drops will be charged for time and material. For in-line and peninsula booths, power is dropped at the back of the booth on the floor. Either a service location or floor plan indicating desired locations for power drop(s) must be submitted. All plans must have adjacent booth numbers for direction.

3. When is power turned on and off? Power is turned on 30 minutes prior to show opening and is turned off 30 minutes after show closing.

4. What if I want 24-hour power to my booth? Dedicated 24-hour power is available at a charge of double the listed price. Please be sure to indicate this request when placing your order. This is strongly recommended for any F&B appliances, computers, and other electronics that will remain operating in your booth throughout the show.

5. May I bring my own cords and plug strips? Yes, as long as they meet national and local electrical codes. All wiring utilized for booth work must have a three-wire, grounded, flat cord with a minimum of #14 gauge. Only SES cords may be placed under the carpet/flooring.

6. Can SES track lighting be hung in my booth instead of on stanchion poles? Yes. SES track lighting may be hung anywhere requested, however a labor charge with a minimum of one (1) hour labor plus material will be assessed. Power is included for SES track lighting.

7. On overhead lighting, what size area will a 1,000 watt quartz bulb light? One 1,000 watt quartz bulb will light up to a 10’ x 10’ area. The 1,000 watt quartz bulb may be rented for Halls A, B, C, D, and G. The 200 watt quartz bulb is only available for Hall G.

8. Is there a minimum labor charge? Yes. There is a one (1) hour minimum labor fee for installation. Labor to disconnect will be based on one half of the installation cost. Please see page 23 for labor rates and information.

9. Can I have halogen lights in my booth? Yes. All halogen lights must have a safety lens or shield over the lamp/bulb. No lights will be hung without mounting brackets or clamps that are in good working order. No lights that are deemed unsafe will be hung.

10. How do I calculate the amount of power I will need? Add up the total wattage for your booth (i.e., 10 x 75 watt bulb = 750 watts), which requires a 1,000 watt outlet.

11. Can you guarantee a start time for my installation? Exhibitors may request a “morning” or “afternoon” installation block of time. Morning installations will occur any time between 8:00AM - noon; afternoon installations will occur any time between 1:00PM - 5:00 PM.

12. As the exclusive provider of electrical service, what else is SES responsible for? SES is responsible for all distribution of electrical wiring under carpet or flooring; overhead (including coaxial cable and fiber optics, and the distribution of same from product to booth and from booth to booth); all motor and equipment hookups requiring electricity; installation and/or repair of electrical fixtures; installation of electrical motors and apparatus to be energized; motorized hoists, truss and lighting installation; installation/removal of all overhead electrical signs, trusses, motors, or apparatus; and installation/removal of free-standing electrical signs that require assembly, rotating electrical signs, sequencing electrical signs and related applications, and the operation of such equipment.

Additional Guidelines

- Labor is required on the exhibit floor for under carpet and overhead distribution of electrical wiring, motor and equipment hookups requiring hard wiring connections, installation/repair of electrical fixtures, and installation of electrical motors and electrical apparatus.
- All wiring, motors, electrical installations, etc. must be approved. Exhibitor equipment should be ready for installation and properly tagged/wired to denote current, voltage, phase, cycle, and horsepower.
Addtional Guidelines, cont.

- Wall, column and permanent building utility outlets are not part of booth space and may not be used.
- To prevent overloading of circuits, exhibitors may not add wattage except as ordered. All outlets for lighting are provided by SES. Column and/or wall outlets are not part of exhibitor booth space. A separate outlet must be ordered for each piece of equipment to be connected.
- Storage atop SES electrical hardware, booth lines and storage closets is not allowed.
- Unless otherwise directed, Sands Expo electricians are permitted to cut floor coverings for the installation of services.
- If a booth is determined to be in violation of Fire Marshal codes or basic safety guidelines, power will be shut off until all violations have been resolved.
- SES and Sands Expo will not be held liable for any and all losses due to circumstances outside of their control, including but not limited to losses due to interruption of service from the main utility provider of the building.
- All material and equipment furnished by Sands Expo for service requested shall remain the property of the facility, and may only be removed by SES technicians at the close of show.
- Neither Sands Expo nor SES is responsible for voltage fluctuation or power failure due to temporary conditions or loose connections. For your protection, you should install a surge protector or over/under voltage protector on your computer or other equipment. Installations and connections to all electrical service should be made by SES personnel. SES will not be responsible for any damage or loss of equipment, component, computer hardware, and/or injury to any person caused by the installation or connection into any electrical outlet by persons other than SES personnel.
- All outlets over 15 Amps and/or with a voltage over 120 volts require electrical labor. This includes a one-hour minimum to inspect exhibits that are pre-wired to plug into our system.
- Please contact the Exhibit & Business Service Center at 702.733.5070 for the following:
  - Hall G outlets over 60 Amps 208 volts, or for any 480 volt requirements
  - Assistance/pricing for special or foreign voltages, outlets exceeding what is noted within online ordering for 208 or 480 volts, etc.

Blue Electrical Boxes

These boxes ensure the exact receipt of power ordered and reduces the possibility of service interruption. If a box overloads, the fuse blows at that booth location only and will not impact the power of adjacent exhibitors on the same line/stringer. Outlets overloaded by the exhibitor will be reset one time as a courtesy. Prior to resetting the electrical circuit, you will need to purchase additional power or agree to operate within the limits of the original circuit purchase. If the circuit needs to be reset a second time, a one hour labor charge will be incurred at the appropriate rate.
**Internet/Telecom**

SES has several Hard Wired Internet options available for purchase. Please contact our Internet specialist to discuss your options at sesinternetsupport@sandsexpo.com. You may also call 702.733.5531 Monday through Friday, from 8:00 am to 5:00 pm PST. Please note SES is the exclusive provider of all Internet services.

**Frequently Asked Questions**

1. **How can I get assistance with my Internet line?** The fastest way to get a technician to your booth or meeting room is by emailing sesinternetsupport@sandsexpo.com.

2. **What types of Internet service can I purchase?** SES sells hard wired SHARED and hard wired DEDICATED Internet service. Wireless Internet service is not available.

3. **What type of Internet (Shared vs Dedicated) should I choose?**
   - Choose SHARED for:
     - Normal Internet browsing and applications over a hard wire
     - Up to 5 hard wired devices performing normal web browsing and sending emails
   - Choose DEDICATED for:
     - Streaming
     - Large downloads or uploads
     - Connecting a wireless router
     - Any resource intensive, high bandwidth utilizing applications that require a consistent Internet connection

4. **Hard-wired or wireless devices or both?** SES only provides and recommends using a hard wire for all of your devices. If you choose to connect a wireless router to your Internet connection you will need to provide all configuration and support yourself. Shared Internet service comes with one NAT'ed DHCP IP address. If you require more IP addresses you will need to order them. Dedicated Internet service comes with up to 25 NAT'ed DHCP IP addresses. If you require more IP addresses or publically routable Static IP addresses please email sesinternetsupport@sandsexpo.com.

5. **How will my devices be supported?** SES does not offer support for devices or equipment that they do not provide. If you need technical support for your booth, you will need to provide this yourself or hire a vendor to provide it for you. SES will ensure that the service you purchased is functioning as it should, but we cannot troubleshoot or repair issues with client-provided equipment. Please contact sesinternetsupport@sandsexpo.com if you need a support vendor.

6. **Will you require under carpet network cabling?** If your booth or meeting room will require under-carpet network cabling you will need to order 1 Hour Electrical Labor and submit a floor plan with your cabling diagram to servicecenter@sandsexpo.com no later than 7 business days before the move-in date of your event. The diagram must include your main drop location as well as specific measurements for each network location. All cables will have 5 feet of length at the end and will be terminated with a T-568B standard RJ45 connector unless you request otherwise. SES will not terminate any cable not supplied by SES. You will need to provide a Switch/Hub or Router to connect your additional lines to your main uplink. You can purchase a Hub from the Sands Exhibit & Business Service Center located in the Lower Lobby if needed.

7. **What is the difference between a private and public IP address?** Most customers order DHCP IP addresses which allow for performing the majority of basic Internet functions. Public IPs are needed when a device outside the Sands Expo network needs to talk to a device in the Sands. A public IP is a publically routable Static IP address that can open your computer to Internet attacks. Do not request a public IP address unless you know you need it. No refunds are given for public IP addresses.

8. **How do I know how much bandwidth I am using and receiving?** SES sets your connection to the level of bandwidth that you have ordered. We offer SHARED bandwidth options of “up to” 3Mbps and “up to” 10Mbps. If you order a DEDICATED connection you can purchase 10Mbps, 20Mbps, 50Mbps, 100Mbps, and 200Mbps. If you require over 200Mbps please email us to request a quote. In order to verify that your connection is receiving the bandwidth you requested you can try a speed test application or website. Speed test websites and applications are not 100% accurate, but can give you a close representation of your line speed. Typically this will be +or- 15% of your actual bandwidth depending on the site that you use. SES recommends the AT&T speed test site http://speedtest.att.com/speedtest/. You can also try an FTP file transfer or other method, but these are dependent on the bandwidth and connection speed at the server site and may not give an accurate reading. There are other factors that can affect the speed test results. (In order to get the most accurate test only perform a speed test from the main uplink, do not connect through a switch or router, plug the uplink directly into your computer). If you have multiple devices connected they are sharing your Main Bandwidth amount.
9. **What is Bandwidth Measuring?** This is an aggregate of both uploads and downloads by all devices connected to your uplink. Because Internet connections are full-duplex and transmit and receive at the same time, your connection represents both. When considering how much bandwidth to order, you must take both uploads and downloads of all devices into account.

10. **What does SES Support?** SES is only liable for the connection coming from the main Internet uplink from the house. SES can only control the bandwidth to our Internet Service Provider, Hyper Networks LLC. Issues beyond our ISP on the Internet can affect the speed of your connection to servers on the World Wide Web that SES cannot be held liable for and cannot fix. For example, a network issue at a service provider hub in Chicago can affect the speed users receive for connections from Las Vegas to Atlanta. This would not be something SES could fix as we do not have service level agreements with the Internet service providers in Chicago or Atlanta.

11. **When placing my order, what about additional connections?** One IP address is needed per hard-wired device. If you are connecting more than one device, indicate how many additional IP addresses are needed. Note that one IP address comes as part of the main drop. The additional private IP address is delivered automatically via DHCP once you plug a Cat5 cable into your device (Cat5 and electrical labor for all floor cabling is NOT included).

12. **How do I know if I need a hub/switch device?** Multiple hard-wired connections require a hub/switch device. If connecting more than one device, you may bring your own equipment or purchase one on-site at the Exhibit & Business Service Center.

13. **What are the guidelines for having a phone line at my booth?** Phones must be picked up at and returned to the Exhibit & Business Service Center, located in the Sands Lower Lobby. When placing your order, please include a Service Location Plan. If needed, voicemail is available for any phone line. When ordering your phone line(s) please indicate if a line, device, or both are required. Damaged or unreturned equipment will incur a charge.

14. **What is the difference between single-line and multi-line phones?** A single-line (analog) can be used for a desk phone, fax machine, or credit card machine. A multi-line phone (digital) features multiple phone numbers and has the ability to transfer calls and put a line on hold. A conference speakerphone, often called by the brand name POLYCOM, is recommended for meetings of one to thirty people.
Plumbing & Compressed Air

Sands Expo’s experienced team of plumbers and engineers has supported countless events within our facility, and can assist in determining which services should be ordered for your exhibit booth. A wide range of offerings are available, including:

- Hot and cold water service
- Drain service for exhibitor equipment and displays
- Compressed air services
- Water filling and drain services
- 1, 2, and 3 compartment sinks
- Special hookups for exhibitor equipment
- Various sized drain tanks and pumps

SES plumbing does not provide natural gas tanks, helium tanks, fire sprinkler systems, or fire suppression systems. Standard labor rates apply for setup and removal services. Please note that SES is the exclusive provider of all plumbing services. Please see page 33 for labor rates and information.

Frequently Asked Questions

1. What must I do to ensure plumbing is properly located within my exhibit booth? A Service Location Plan must be submitted to ensure proper installation in accordance with your booth design. Standard placement for compressed air, water, and drain outlets is at the back wall of line (in-line) and peninsula booths. For island booths, outlets will be placed in the center of the booth (or at our discretion) unless we receive a floor plan indicating the main location where you require your services. Equipment using water must have inlet and outlet properly marked and identified.

2. Does my water service include drain service? Drain services need to be ordered separately and is not included with your water service.

3. What if I need to cancel my plumbing order? To avoid a 50% cancellation fee, your request must be received no later than 24 hours before the scheduled date of service.

4. What if my plumbing needs require electrical services? Any plumbing services that require electricity or electrical labor to connect and/or operate must be ordered separately. Electrical outlets for any services requiring power for special plumbing needs, such as pumps, ejectors, and/or compressor outlets will also incur a charge.

5. What if my booth requires special supplies? Special supplies such as regulators, strainers, traps, etc. should be requested in writing at least 30 days in advance, and every effort will be made to meet such requests. Special equipment requiring company engineering or technicians for assembly, servicing, preparatory work and operation may be executed without SES Plumbing personnel. However, if SES labor is requested, the appropriate hourly labor charge will apply. Please contact facilitiesmanagement@sandsexpo.com for additional information.

6. What if my booth requires an Automatic Fire Sprinkler System (AFSS)? Automatic Fire Sprinkler Systems (AFSS) must comply with National Fire Protection Act #13. All questions should be addressed to the Clark County Fire Department at 702.455.7100. Please be prepared to provide a plan view drawing of the display that indicates the areas/elements that are covered, including stairwells and their dimensions. Walkways, kiosks, or showcases with less than 20” of clearance from bottom of the deck or ceiling must also be indicated with dimensions.

Additional Guidelines

- Although setup services are available, Exhibitors are responsible for connecting the installed lines to their machine(s).
- All material and equipment furnished by SES remains SES property, and shall be removed only by SES personnel at the close of the show.
- All equipment must comply with state and local safety codes.
- Compressed air outlets must use a ¼” AMFLO-C1 connector; water outlet must use a ½” FIP connector. No modifications to the facility system or equipment is allowed. Exhibitors found in violation will be charged at the appropriate labor rate to repair the system or equipment.
- SES plumbing personnel may be required to cut floor coverings to permit installation of service, unless otherwise directed in writing.
- Standard labor rates apply for bringing water service from the main line to the booth. You may connect your own equipment, but if SES labor is requested, standard labor rates will apply. Due to the portable nature of air lines, please supply a filter or other equipment to limit the moisture or water in the lines. SES is not responsible for moisture or water in air lines.
- Utility outlets include up to 50’ of dropped line. Use of additional footage or equipment will be charged at the appropriate labor/material rates.
The Exhibit & Business Service Center is an on-site location for ordering all SES services. Located in the Sands Expo lower lobby, a variety of convenient business support services are also available. Operating hours are tailored to move-in, show days, and move-out schedules; and our expert staff is prepared to assist with any business needs that arise during your event. We’re here to support you!

- **Printing** - Available for Microsoft Word, Excel, and Adobe Acrobat files. Orders may be placed in advance of arrival via email at servicecenter@sandsexpo.com; please include quantity needed, paper size, single/double sided, black/white or color copies, etc. Payment is due upon receipt of order.

- **Photocopying** - Prices are calculated upon volume using standard 8.5”x11” or 8.5”x14” white paper, single-sided, and whether color or black/white copies are requested. Machine collating and stapling is included upon request and available at no additional charge.

- **Outbound Shipping** - Domestic outbound shipping is available via UPS and Federal Express only; international and inbound shipping is not available. Prices are determined by package weight, size and destination. A per-item handling fee will also be assessed, and certain restrictions may apply. To ensure next-day delivery, please keep in mind all shipping is picked up by 3:00 PM PST. For packages weighing 150 lbs. or more, please contact your general contractor for shipping service. Please refer to the Shipping & Freight Requirements section for information on shipping materials to the facility via your General Contractor or the FedEx Business Center at The Venetian. Additional information regarding the handling of materials may be found on page 25.

- **Faxing/Scanning** – Send or receive a domestic or international fax and send scanned documents anywhere. Our fax number is 702.733.5568.

- **Luggage & Coat Check** – Available at a cost of $4.00 per item. Items left overnight will incur an additional charge of $4.00 per item.

- **Other Services** - Let us assist with pop up needs such as business card printing (upon request) and laminating (up to 8.5”x11”).
The following rules and regulations are those of Sands Expo. Show management may have additional guidelines exhibitors are expected to follow. Please check your exhibitor kit or event website for such details.

**Balloons/Inflatables**

Balloons/inflatables inside the facility must remain tethered to a fixed object and may be no larger than thirty-six inches (36") in diameter. The use of Mylar balloons is discouraged. The Meeting Planner is required to obtain approval for any balloons or inflatables from the Catering & Conference Manager or Event Service Manager prior to move-in, so exhibitors must consult with show management to confirm this will be permitted within the exhibit space.

**Displays/Drapes/Hangings**

All decorations, drapes, signs, banners, acoustical materials, hay, straw, moss, split bamboo, plastic cloth, and similar decorative materials shall be flame retardant to the satisfaction of the Fire Department and State Fire Marshal.

- Canvas, cloth, cardboard, leaves, or similar combustible materials shall be completely flame retardant.
- Oilcloth, tar paper, sisal paper, nylon, Orlon, and certain other plastic materials cannot be made flame retardant and their use is prohibited.
- Manufacturer fire resistance certificate must accompany all materials.
- These items are also prohibited from covering any and all sprinkler heads and column numbers.
- It is prohibited to hang any items from the sprinkler heads.
- All single-level covered and multi-story display areas 1,000 square feet or greater are required to have sprinkler coverage throughout the space.
- For exhibit Halls A-D, please refer to all rules and regulations established by Show Management; there is no rigging permitted in Hall G.

**Exhibit Booth Raised Flooring Regulations**

Raised flooring in exhibit booths are required to comply with ADA regulation 303: Vertical changes in level of 1/4" (6.4mm) high maximum shall be permitted to be vertical.

Changes in level between 1/4" (6.4mm) high and 1/2" (13mm) high must be beveled with a slope not steeper than 1:2. Please note that a change in level of 1/2" (13mm) is permitted to be 1/4" (6.4mm) vertical plus 1/4" (6.4mm) beveled. However, in no case may the combined change in level exceed 1/2" (13mm). Changes in level exceeding 1/2" (13mm) must comply with ADA regulation 405 (ramps) or 406 (curb ramps).

**Fire & Safety**

**Cooking Demonstrations** require approval by the Sands Expo Catering Department and the Clark County Fire Department, as well as the securing of all necessary fire permits. Exhibitors may not utilize their own food or beverage for cooking demonstrations; all product must be provided by Sands Expo and only Sands Expo Catering personnel may handle food and beverage products during such demonstrations. For additional information please contact the Catering Department at 702.733.5676 or catering@sandsexpo.com.
FACILITY RULES & REGULATIONS

Fire & Safety cont.

Automatic Fire Sprinkler Systems (AFSS) - All single-level covered and multi-story display areas 1,000 square feet or greater are required to have sprinkler coverage throughout the space. Sprinklers must comply with National Fire Protection Act #13 (please see page 18 for details). For questions and additional information, please contact the Exhibit & Business Service Center 702.733.5070 or servicecenter@sandsexpo.com.

Fuel-Powered Vehicles

Automobiles or other fuel-powered vehicles of any nature must comply with the following:

- Gas tank to be no more than 1/8 full of gasoline.
- Batteries to be disconnected.
- Gas caps locked.
- Ignition keys to be removed and turned into Facilities or have an agreement in place to hold your own keys.
- Propane tanks to be removed.
- Each vehicle must be equipped with its own fire extinguisher.
- All fuel-powered vehicles must have Fire Marshal approval. Please visit http://www.clarkcountynev.gov/building/fire-prevention/Pages/FirePermits.aspx for permit details.
- Visqueen must be placed underneath to protect the carpet.

For details on obtaining permission to display a fuel-powered vehicle, please see page 28.

Hazing

Hazing for special events may be permitted with approval of the Clark County Fire Department/Fire Prevention Bureau and The Venetian Resort and Sands Expo. Consult your Catering & Conference Manager or SES/Event Manager to obtain The Venetian Resort and Sands Expo approval.

The following steps need to be followed for the Hazing to be reviewed for approval:

1. Notify the Catering & Conference Manager of the upcoming hazing events — they will then forward a Hazing Request form for either a winter and/or summer function.
2. Requesting party will need to complete and sign the Hazing Request form and return it to the Catering & Conference Manager for processing.
3. Fire Command will contact to schedule a haze demonstration to verify the equipment and haze levels meet “The Venetian” requirements, and determine if the Life Safety Systems must be adjusted. The demonstration must be scheduled at least 24 hours in advance of first scheduled hazing event.
4. Once demonstration is scheduled, Fire Command will e-mail Facilities advising of scheduled demonstration time.
5. Fire Command is to contact and notify Security and Facilities to schedule Security for Hazing Event.
6. Fire Command will notify facilities for the final times of Hazing Event for billing.

Motorized and Wheeled Transportation

The use of hoverboards, segways, rollerblades, bicycles, skateboards, or other wheeled transportation not covered by the ADA policy are strictly forbidden within Sands Expo. Please see page 8 for guidelines on the use of motorized and wheeled transportation under ADA guidelines.

Any such items being displayed within an exhibit booth must remain within the booth and may not extend into any other area, and one of the following off-hour options must be in place:

- In conjunction with the General Contractor, product must be packaged up after show hours and stored off-site by exhibitor.
- Fire watch personnel must remain in the booth during all after-show hours.
- Booth structure must be covered and have a sprinkler system.

Pyrotechnics

Pyrotechnics by exhibiting companies within the general exhibit space is strictly prohibited.
REMOTE-CONTROLLED DEVICES/Demonstration Area

For the purpose of demonstrating a product that requires use of an area outside of the exhibitor-assigned booth space, the Meeting Planner will provide a Demonstration Area for this purpose. Products such as remote controlled cars, drones, planes, helicopters, robots, etc. are to be demonstrated in a safely controlled area of the exhibit floor (i.e., Demonstration Area). The Demonstration Area must include safe netting appropriate to accommodate product(s) being demonstrated and be included on the master floor plan submitted for Fire Marshal approval. The Venetian Resort and Sands Expo reserves the right to determine what is acceptable in a safe and controlled Demonstration Area prior to final approval.

RESORT EMPLOYEE ACCESS

It is understood employees of The Venetian Resort and Sands Expo may require access to your exhibit or production area for reasons including, but not limited to housekeeping, maintenance, and security.

The Show Manager/Producer must agree to allow entry to employees of The Venetian Resort and Sands Expo or Resort contractors presenting suitable identification and stating job-related need for their entry.

SMOKING/VAPING/NEVADA CLEAN INDOOR AIR ACT

The Nevada Clean Indoor Air Act prohibits smoking in indoor public spaces. As a result, smoking/vaping is not allowed within Sands Expo and the Congress Center; it is only permitted at the Designated Smoking Area near the front of Sands Expo. For safety reasons, smoking/vaping is forbidden at any loading dock area.

TAXI/LYFT/UBER SERVICES

Taxi and Lyft/Uber lanes are located immediately outside of Sands Expo’s front entrance. Personally owned vehicles that are not “for-hire” may unload passengers when such stopping does not interfere with any transportation services that are lawfully entitled to occupy this area. Except for authorized emergency vehicles, no other vehicles are permitted to stop, stand, or park in these lanes.

SPECIAL REQUESTS

If an exhibitor has a special request or question pertaining to facility rules and regulations, please contact the Exhibit & Business Service Center at 702.733.5070 or servicecenter@sandsexpo.com.
A comprehensive overview of The Venetian Resort and Sands Expo is available in our Facilities Guide, but general specifications may be referenced below. In addition, please note the following:

- Exhibits exceeding the noted floor load limits will require special handling to distribute the load.
- Three feet (3’) of access to all columns with utility boxes, fire extinguishers, fire hose cabinets, and fire hose valves is required at all times. Covering or uninstalling any of these devices is prohibited.
- For guidelines on displays/drapes/hangings, please refer to the rules and regulations established by Show Management.

To view floor plans of the facility, please click here.

### Halls A, B and C

- **Air Wall Track:** 29’H
- **Ceiling Height:** 32’5”H
- **Column Grid:** 24” square and set 60’x90’ center-to-center apart
- **Floor Load:** 250 lbs. per square foot
- **Loading Doors:** One (1) door at south end of hall, 20’H x 50’W
- **Utility Service:** Dropped from ceiling
- **Overhead Lighting:** LED

### Hall D

- **Air Wall Track:** 29’H
- **Ceiling Height:** 32’5” high
- **Column Grid:** 24” square and set 60’x90’ center-to-center apart
- **Floor Load:** 250 lbs. per square foot
- **Loading Doors:** One (1) door at south end of hall, 16’H x 20’10.5”W
- **Utility Service:** Dropped from ceiling
- **Overhead Lighting:** LED

### Hall G

- **Air Wall Track:** N/A
- **Ceiling Height:** 13’5” high
- **Column Grid:** 2’6” round and set 30’ center-to-center apart
- **Floor Load:** Unlimited
- **Loading Doors:** One (1) door at North end of hall (G Slider), 13’7”H x 53’2”W
  One (1) door at Southeast end of hall (G Roll-up), 13’7”H x 26’1”W
- **Utility Service:** Various columns
- **Overhead Lighting:** LED

### The Congress Center at The Venetian Resort

The floor load limit for The Venetian Ballroom (Level 2), Levels 2, 3 and 4 meeting rooms, and The Palazzo Ballroom (Level 5) is 150 lbs. per square foot, static weight.
MATERIAL HANDLING

Acceptance & Storage of Shipments
Sands Expo does not accept and/or store shipments of exhibit materials for any event. Arrangements should be made with the General Contractor to receive and store exhibits, collateral materials, handouts, giveaways, etc. for delivery to the facility on the move-in date(s). These arrangements must also include the removal and storage of empty crates and their subsequent return to the facility on the move-out date(s).

Material may be shipped to The Venetian FedEx Office, but will not be transported to Sands Expo by personnel of The Venetian or Sands Expo. Exhibitors must make their own arrangements for transportation of freight delivered to:

The Venetian FedEx Office:
Tel: 702.836.4401
Fax: 702.262.3938
Email: usa5607@fedex.com

Should property remain following an event’s contracted period, Sands Expo will dispose of this property and will charge the Licensee accordingly.

Accessible Storage
For exhibitors who lack space within their booth for proper storage, but have materials that may be needed during the show, accessible storage space is available via prearranged deliveries and “will call” services. To make arrangements and receive access storage labels, please see the General Contractor’s service center or contact the area’s concierge.

Cartload Service
This service is provided by the General Contractor for exhibitors in POVs who require assistance with moving materials that cannot be hand carried. A one-time fee will be assessed for this round-trip service (inbound/outbound). Exhibitors with vehicles that do not qualify for this service or who have materials that require mechanical assistance to unload, will be directed to the POV Staging Area established by the General Contractor.

Crate Removal & Storage
The storing of crates, boxes or cartons in the exhibit booth or meeting room during the show period is prohibited. This fire and safety regulation is strictly enforced. Please place an “Empty” label (distributed at the General Contractor’s service center) on each crate/carton/box. Those that are properly labeled will be removed, stored and returned to the exhibitor. Crates and cartons not properly marked may be destroyed.

Hand Carrying Policy
Exhibitors may hand-carry their own materials into the exhibit space, provided they do not use material handling equipment to assist them. Two-wheel luggage/suitcase is acceptable; hand-carts and any four-wheel cart or dolly is prohibited. Access to the loading dock and/or freight door areas is prohibited.

Privately Owned Vehicles (POVs)
For the purpose of curbside loading/unloading of hand-carried items, vehicles other than POVs are prohibited from staging in front of the building. Vehicles must be no larger than a typical Sport Utility Vehicle or pick-up truck, and may not be left unattended at any time. Please note unattended vehicles parked curbside will be towed at the owner’s expense.
The Sands ECO360 Green Meetings program is a holistic approach to providing environmentally preferable practices for events held at The Venetian Resort and Sands Expo. All meeting clients benefit from these standard practices, which are incorporated into our daily operations. These practices include:

- Resource Conservation Procedures (i.e., equipment and lighting shutdown in unoccupied spaces)
- Waste Diversion (i.e., recycling, composting, donation program, partnership with local charities)
- Indoor Air Quality Management (i.e., green cleaning, CO₂ monitoring)
- Responsible Purchasing (i.e., reduced packaging, office supplies with recycled content)
- Sustainable Food Practices (i.e., reusable china and silverware, compostable service ware)
- Alternative Transportation (i.e., public transit within walking distance, electric vehicle charging stations)

Our buildings have earned several prestigious and well-recognized third-party environmental certifications, which demonstrate or focus on conserving natural resources and improving occupants’ health and comfort. High-performance facilities provide a foundation for a successful green meetings program.

Donation Program

As part of the Green Meetings initiative, Sands Expo manages an extensive donation program that supports a number of charitable organizations. Exhibitors have the opportunity to impact the local community via unused event materials that are eligible for donation. Participation is easy – just stop by the Exhibit & Business Service Center to pick up donation stickers; at the end of your show place them on the boxes/items to be donated and our team will come pick them up.
Animal Guidelines - Overview

On occasion, convention clients or private parties have sought to display or otherwise use animals, including "wild" animals, as part of their group functions at The Venetian Resort and Sands Expo. As a general rule, no animal other than an animal that qualifies as a “Service Animal” or police dog as those animals are defined by law, shall be brought onto the property without the prior approval of the Legal/Risk Management department. This applies regardless of the type of animal or the length of time the animal will be on property. Permission for any animals other than ADA animals appearing in a show or booth must first be approved by Show Management, the SES/Event Manager and the Risk Management Department. Please note trainers must accompany animals at all times, the animals may not remain in the building overnight, and it is the owner’s responsibility to clean up after the animal while on property.

Before such approval is given, in most cases, the following minimum information will need to be provided:

1. The type of animal(s).
2. The purpose of bringing the animal on property.
3. How it will be transported? (i.e., caged, chained).
4. How long will it be on property.
5. Who will be handling the animal and what is his/her experience and training.
6. What will the exposure be to our Team Members and Guests.
7. What precautions are being taken to avoid injury to our Team Members and Guests? Provide a complete description including a diagram of the holding facility and/or cages used to confine and/or display the animal while it is on property and any other information that would tell us about security precautions taken to avoid injury to others.
8. If coming from out of state, provide the necessary Import Permits granted by the Nevada Department of Wildlife.
9. Provide confirmation the person, firm, or organization has an Exhibitor’s License issued by the United States Department of Agriculture in compliance with the Animal Welfare Act (7 U.S.C.2131 et seq.).
10. Confirm if the person, firm, or organization has a License to sell or exhibit wildlife from the state where it is domiciled.
11. If the animal is to be exhibited, confirm the necessary amount of security personnel has been arranged for.

12. Complete and submit the animal permit liability form no later than seven (7) days prior to move in.
13. Porter Service fees may be incurred should such a service be deemed necessary.

Animal Guidelines - Permits

In order to bring an animal(s) onto the premises, the following guidelines must be followed:

**Insurance:** Exhibitor will carry and maintain the following insurance during the time the animal(s) is at The Venetian Resort and Sands Expo:

1. Worker's Compensation Insurance with statutory limits in accordance with applicable state law.
2. Employer's Liability Insurance with minimum limits of $1,000,000 bodily injury by accident, $1,000,000 bodily injury by disease, and $1,000,000 policy limit.
3. Commercial General Liability Insurance covering bodily injury, property damage, products and completed operations, and personal & advertising injury with minimum limits of 41,000,000 per occurrence.
4. Automotive Liability insurance insuring any motor vehicle whether owned, hired, or non-owned with minimum limits of 1,000,000 per accident.

The Venetian Resort and Sands Expo in no way warrants the minimum limits contained herein are sufficient to protect the Organization/Exhibitor from liabilities that may arise, and the Organization/Exhibitor is free to purchase such additional insurance as the Organization/Exhibitor may deem necessary.

For submission deadlines and additional information please contact the Sands Expo Risk Management department.
**ASCAP/BMI/SESAC Broadcasts and Publications**

The Venetian Resort and Sands Expo does not regulate, control, approve, or disapprove any broadcast, performance, or publication of music or any other audio or visual presentations. If the Licensee, or an exhibitor, wishes to use copyrighted material, it will be necessary for you to make arrangements with the ASCAP, BMI, or SESAC for a license to perform such copyrighted music or material or otherwise qualify for an exemption.

For more information regarding copyrighted material please contact the following:

- **ASCAP**
  American Society of Composers Authors and Publishers
  General Information: 800.952.7227
  Licensing Information: 800.505.4052

- **BMI**
  Broadcast Music, Inc.
  Telephone: 800.925.8451

- **SESAC**
  Telephone: 800.826.9996

**Automobile/Fuel-Powered Vehicles Inside Facility**

All requests for placement of automobiles, trucks, motorcycles, and other motorized vehicles must be approved in advance by senior management of the facility before being submitted to the Clark County Fire Department/Fire Prevention Bureau. Requests should be submitted 45 days in advance and will be reviewed in a timely manner. The event's official decorator/exhibit/production company is responsible for, and must submit a floor plan of the proposed location of any automobiles, trucks, motorcycles, and other motorized vehicles to the Clark County Fire Department/Fire Prevention Bureau for approval one month prior to the event. A Fire Marshal-approved copy must be forwarded to Sands Expo two weeks prior to vehicle move-in and placement. Any changes to approved plans will require additional approval by the Clark County Fire Department/Fire Prevention Bureau. Please see page 21 for exhibitor compliance guidelines.

**Clark County Fire Department/Fire Prevention Bureau Permits**

Based upon plans within an exhibit area, obtaining special permits from the Clark County Fire Department/Fire Prevention Bureau may be necessary. Typical operations that require separate permits present in assembly spaces include:

- Flame effects
- Open flame devices (i.e., candles, gelled alcohol warmers)
- Fireworks/pyrotechnics
- Compressed gases
- Cryogenic fluids
- Hot Work Operations
- Liquid or gas-fueled vehicles or equipment for display in assembly occupancies
- Fire systems for covered booths exceeding 1,000 square feet.

<td>$520</td>
</tr>
</tbody>
</table>

### ADDITIONAL SERVICES:
Voicemail, Multi-line Phones, etc. Please inquire for pricing

**Additional Information:**
- The Internet services provided are all hard wired drops. You must purchase 1 hour of electrical labor to have Cat5 cables run on the floor. Materials and actual labor will be charged post show.
- Please email SESInternetSupport@sandsexpo.com for more than 200Mbps Internet drop prices.
- Wireless connections are not available for purchase.
- Telephone deposits are refundable if equipment is returned in good condition.
- Provider reserves the right to add labor to an order as it relates to providing technical support, including troubleshooting and specialized technical assistance. Basic installation and dismantle labor is included in the price of the Internet line.
- Standard rates apply as noted on page 6.
- Place your order at sandsexpo.com/ordernow.
RATES: PLUMBING

**AIR/WATER/DRAIN SERVICES**

**COMPRESSED AIR:**

- Serv. Charge for First Outlet: $460 / $590
- Serv. Charge for Each Additional Connection in Booth (within 5' of first outlet): $227 / $289

**WATER SERVICE:**

- Service Charge for First Outlet: $472 / $590
- Service Charge for Each Additional Connection in Booth (within 5' of first outlet): $238 / $298

**DRAINS (PLEASE CONFIRM AVAILABILITY):**

- Service Charge for First Outlet: $472 / $590
- Service Charge for Each Additional: $238 / $298

**WATER FILLING AND DRAINING:**

- Unit(s) 1-149 Gallons: $256 / $321
- Unit(s) 150-299 Gallons: $367 / $458
- Unit(s) 300-999 Gallons: $651 / $814
- Unit(s) 1,000-4,999 Gallons: $870 / $1,088
- Unit(s) 5,000-10,000 Gallons: $1,171 / $1,464

*Additional Information*

- The standard connector for compressed air is a 1/4” AMFLO-C1 connector. Please inquire regarding other connections.

- Water pressure may vary and is not guaranteed. If this is critical, please arrange for installation of a pressure regulator valve. The standard connections for water outlets are 1/2” FIP.

- For water filling and draining, prices exclude labor. A minimum labor charge of 1 hour will be applied; please see rates on page 6.

- Place your order at sandsexpo.com/ordernow.

- Basic installation and dismantle labor is included in the price of Internet lines.
- A 5 hour minimum per worker (10 hour minimum for lead positions after 5 hours) applies to all labor dispatched for a set time/date.
- A 2 hour minimum per worker applies to all “will call” labor.
- A Technical Director is required for all crews consisting of six (6) or more workers.
- A 1 hour non-working meal break or qualified meal (working lunch) must be provided every 5 hours. A 2 hour minimum applies after any non-working meal break. A rate of $297 is applied each hour until a 1 hour non-working meal break or qualified (working lunch) is provided. Worker(s) remain on billable time during a working lunch.
- All workers who are specifically requested by name may be subject to the Premium Rate, in accordance with any overtime incurred.
- To avoid being charged a 5 hour minimum, on-site labor adjustments must be received 6 hours in advance.
- Once a labor crew reaches 20+ workers, a scheduling administrator will be added.
- For all labor, rates are subject to change without notice.
